

Warsaw, February 27th 2023

Current Report No. 6/2023

**Subject:**

Launch of *The Thaumaturge* promotional campaign

**Legal basis:**

Art. 56.1.2 of the Public Offering Act – Current and periodic information

**Text of the report:**

The Management Board of 11 bit studios S.A. (the “Company”) announces that on February 27th 2023 the promotional and marketing campaign for *The Thaumaturge* (former code name: *Vitriol*) was launched. The developer of the game is Fool's Theory, an associate of 11 bit studios S.A., which is the publisher of the new title.

The promotional and marketing activities have included launching the official website of *The Thaumaturge* as well as its Steam page and social media profiles, including on Facebook and Twitter. A trailer for the game has also been released online.

*The Thaumaturge* is role-playing game set in the culturally diverse Warsaw of the early 20th century. As players enter a spirit world driven by powers hidden from ordinary people, they are forced to make a series of morally ambiguous choices and face their consequences.

With an approximately 60-strong development team, *The Thaumaturge* has been 11 bit studios S.A.'s largest publishing project to date.

For more information on *The Thaumaturge*, please visit:

<https://thaumaturgethegame.com/>

*The Thaumaturge* gameplay will be presented behind closed doors at the annual Game Developers Conference in San Francisco, US, in March 2023.

**For the Company:**

Przemysław Marszał,  
President of the Management Board

Paweł Feldman,  
Member of the Management Board
