Article 17.1 of MAR - Inside information

Text of the report:

The Management Board of 11 bit studios S.A. (the “Company”) announces that the sales of *Frostpunk 2* as of Monday, 23rd September at 8:00 AM have exceeded 350,000 units and the total estimated sales revenue has exceeded the Company's costs for the production and marketing of the game.

The Company cautions that the estimate includes deferred payments for the release of *Frostpunk 2* on Microsoft's Game Pass service, as well as the portion of revenue from sales of the Deluxe version of the game attributable to the paid DLC included in that version, which revenue will be recognised together with the DLC premieres.

For the Company:

Przemysław Marszał, President of the Management Board

Grzegorz Miechowski, Member of the Management Board
